

Privacy Policy

Information Collected

Like most websites, we collect non-personally-identifying information including browser type, language preference, referring site, and the date and time of each visitor request. We also collect potentially personally-identifying information like Internet Protocol (IP) addresses and search query contents. The purpose in collecting this information is to better understand how visitors are using this website.

We currently use Google Analytics to manage visitor information. As a result, the information collected is also covered by [Google's privacy policies](#).

Cookies

Cookies are information that a website stores on a visitor's computer, and that the visitor's browser provides to the website each time the visitor returns. We use cookies to identify and track visitors, their website usage, and preferences. Visitors who do not wish to have cookies placed on their computers should set their browsers to refuse cookies before visiting this website. Some website functions may not function properly without cookies.

Changes

We may change this policy from time to time at our sole discretion. Your continued use of this site after any change in this Privacy Policy will constitute your acceptance of such change.
